

FIRST CALL FOR POSTERS
NORTHEASTERN MOSQUITO CONTROL ASSOCIATION
ANNUAL MEETING
7TH ANNUAL POSTER SESSION

THE STURBRIDGE HOST HOTEL
STURBRIDGE, MA

DECEMBER 2-4, 2009

Posters are a unique way to communicate information about a variety of activities without making a formal, oral presentation. Topics of interest are only limited by your imagination, and may include:

- | | |
|----------------------------|------------------------------|
| ★ Wetlands Restoration | ★ New Techniques & Equipment |
| ★ Ongoing Research | ★ Vector Surveillance |
| ★ Off-season planning | ★ GIS Mapping |
| ★ Invasive Species control | ★ Other |

The poster presentation should include a title, author and text as well as any charts, graphs and photographs to augment the text. Please be clear and concise in your narrative. **Posters should be mounted on a board approximately 4' X 4' and please bring an easel or floor stand.**

The posters will be on display for the duration of the meeting near the exhibit area. We may set up a time during the meeting for you to be present if possible to discuss your poster with any and all members. Please complete the following and send / fax to the address below.
