

**FIRST CALL FOR POSTERS**  
**NORTHEASTERN MOSQUITO CONTROL ASSOCIATION**  
**ANNUAL MEETING**  
**14<sup>TH</sup> ANNUAL POSTER SESSION**

SEACREST BEACH HOTEL  
FALMOUTH, MA

**DECEMBER 5-7, 2016**

Posters are a unique way to communicate information about a variety of activities without making a formal, oral presentation. Topics of interest are only limited by your imagination, and may include:

- ★ Wetlands Restoration
- ★ Ongoing Research
- ★ Off-season planning
- ★ Invasive Species control
- ★ New Techniques & Equipment
- ★ Vector Surveillance
- ★ GIS Mapping
- ★ Other

The poster presentation should include a title, author and text as well as any charts, graphs and photographs to augment the text. Please be clear and concise in your narrative. **Posters should be mounted on a board approximately 4' X 4' and please bring an easel or floor stand.**

The posters will be on display for the duration of the meeting near the exhibit area. We may set up a time during the meeting for you to be present if possible to discuss your poster with any and all members. Please complete the following and send / fax to the address below.
