This will be presented at the end of each session in January and February.

The NMCA Executive Board would like to thank the presenters, the exhibitors and the entire NMCA membership for their support in making this another great, albeit different, conference.

We'd like to especially thank Emily Mader, Lisa Martin and all the folks at the NEVBD for their assistance in pulling off this virtual event. It would have been a much more disjointed event if not for them. In addition, a big thank you to Emily Dugas and Casey Crockett at ADAPCO for help with setting up state CEU's.

*Even though the event is taking place in 2021 this will historically be considered the 2020 meeting since the meetings normally take place each year in December.

We look forward to (hopefully) seeing everyone again next year for the NMCA's 67th annual meeting at the **Cape Codder Hotel**, Barnstable, MA from December 5-8, 2021.
