

NORTHEASTERN MOSQUITO CONTROL ASSOCIATION, INC.

MOSQUITO CONTROL FOR HEALTH AND COMFORT

www.nmca.org

December 4, 2020

Dear NMCA Vendors and Exhibitors,

We would like to thank **you** for the continued support you have given to the NMCA in the past and future. We hope this past season has been fruitful and we look forward to sharing the experience.

It is that time of the year to start thinking about the upcoming, **66th annual NMCA meeting**. This year due to COVID19 we will need to make some necessary changes. Rather than hosting an in-person meeting, the NMCA will be hosting a series of virtual meetings. These meetings will be held via Zoom on Wednesdays from 1-3 pm over a six-week period starting January 6, 2021.

Vendors are and continue to be a critical component to the NMCA organization and the annual meeting. Our members learn and benefit a great deal from your industry's innovative technologies, continuous research and enhancement of products resulting in the advancement of the mosquito control industry.

You will find attached information on ways your organization can assist NMCA's scholarships and grants program through sponsorships. Funds will also be used to sustain educational programs for members throughout the year. Please consider this an opportunity to support NMCA. Please fill out all pertinent paperwork prior to the December 21 deadline. In addition, if you or your company has a new innovation or results of research you would like to present as a formal paper at the upcoming meeting we welcome you to submit a **Call for Papers** which is located at www.nmca.org under the tab "Annual Meeting Information".

If you have any questions regarding the NMCA organization and/or the upcoming January 2021 conference, please feel free to contact me at (508) 775-1510 or ccmcp@ccmcp.net.

On behalf of the NMCA organization, we thank you for your support!

Respectfully,

Gabrielle Sakolsky
