WHAT IS NMCA?

NMCA is a group of individuals, agencies and organizations from New England, New York, New Jersey & Pennsylvania whose objectives are:

1. To promote the efficiency of mosquito abatement and related activities, through the encouragement of research, development of procedure, and the interchange of information.
2. To circulate among its members and other interested parties, pertinent knowledge relative to mosquito abatement and related subjects.
3. To encourage field trips and meetings of the members.

WHY JOIN NMCA?

- ◆ Be a member of one of the preeminent mosquito control associations in the country.
- ◆ Join with nearly 250 mosquito control professionals from across the country – New England, the CDC, New York, New Jersey, Pennsylvania, etc.
- ◆ Receive “*the Northeaster*”, the NMCA quarterly newsletter, filled with timely information from the membership and across the nation.
- ◆ Proceeds from our Silent Auction each year go towards organizations identified by our Charitable Committee in need of financial assistance.

Membership applications are available on our website.

NMCA GRANT & SCHOLARSHIP INFORMATION

NMCA accepts scholarship and grant requests each year, and awards up to \$2,000 in each category.

THE JOBBINS SCHOLARSHIP

The Jobbins Scholarship will go to a student whose work is in an area relevant to mosquito, biting fly control or other vectors in the Northeast related to disease transmission; for example, wetlands biology-ecology, entomology or vector parasitology. Studies may range in nature from purely ecological to strictly vector control.

THE McCOLGAN GRANT-IN-AID

The McColgan Grant-in-Aid will go to an individual whose work is directly related to the advancement of operational mosquito control: for example, surveillance technology, spray technology, biological control, physical control, data processing.

For more information on these awards, please contact the NMCA President at president@nmca.org
