

NORTHEASTERN MOSQUITO CONTROL ASSOCIATION, INC.

MOSQUITO CONTROL FOR HEALTH AND COMFORT

www.nmca.org

September 7, 2018

Dear NMCA Vendors and Exhibitors,

It is that time of the year to start thinking about the upcoming, **64th annual NMCA meeting**. We would like to thank **you** for the continued support you have given to the NMCA in the past and future. We hope this past season has been fruitful and we look forward to sharing the experience.

Vendors and exhibits are a critical component to the NMCA organization and the annual meeting. Our members learn and benefit a great deal from your industry's innovative technologies, continuous research and enhancement of products resulting in the advancement of the mosquito control industry. We highly encourage you to bring equipment, samples of products, literature and/or take away materials.

This year's annual NMCA meeting will be held **December 3-5, 2018** at the newly renovated **DoubleTree by Hilton Nashua** located just minutes from the quaint historic downtown of **Nashua, NH!**

Enclosed you will find a NMCA pamphlet, Exhibitors Information, Exhibitor Application/Invoice and the Pre-Registration Form. You will also find information about sponsoring a coffee break and/or evening reception. Please consider this additional opportunity to support NMCA. Please fill out all pertinent paperwork prior to the November 16th deadline. Throughout the NMCA annual meeting, attending exhibitors are recognized via signage, session moderators, and at the vendor lunch. The NMCA co-sponsored vendor lunch, held Tuesday afternoon, provides each vendor an allotted five minutes to introduce themselves and their represented company to the member audience as well as an opportunity to invite members to visit them at their table. In addition, if you or your company has a new innovation or results of research you would like to present as a formal paper at the upcoming meeting we welcome you to submit a **Call for Papers** which is located at www.nmca.org under the tab "Annual Meeting Information".

If you have any questions regarding the NMCA organization and/or the upcoming December 2018 conference, please feel free to contact me at (508) 823-5253 X3 or brismosqpc@comcast.net.

On behalf of the NMCA organization, we thank you for your support and hope to see you in Nashua!

Respectfully,

Priscilla Matton
