

NORTHEASTERN MOSQUITO CONTROL ASSOCIATION, INC.

MOSQUITO CONTROL FOR HEALTH AND COMFORT

www.nmca.org

September 25, 2011

Dear NMCA Vendor:

It is that time of the year to start thinking about the upcoming 57th NMCA annual meeting. I hope this past mosquito season was a busy yet fruitful one for both you and your company. Again, I would like to *thank you* for all the continued support you have given to the NMCA in the past.

Just as a reminder a critical component to the NMCA organization and the annual meeting are the vendors and exhibits. At last year's meeting the organization had twelve (12) vendors participate. Our members learn and benefit a great deal from your industry's innovative technologies, continuous research and enhancement of products resulting in the advancement of the mosquito control industry. Again, I highly encourage you to bring equipment, samples of products, literature and/or take away materials.

This year's annual NMCA meeting will be held **December 5 – 7, 2011** at the comfortable and spacious *Radisson Hotel Plymouth Harbor* in Plymouth, MA. The hotel is located a brief walk away from the beautiful Plymouth Harbor and the Mayflower II.

Enclosed you will find an NMCA pamphlet, Exhibitors Information, Exhibitor Application/Invoice and the Pre-Registration Form. You will also find information about sponsoring a coffee break and/or evening reception. Please consider this additional opportunity to support NMCA. Please fill out all pertinent paperwork prior to the November 5th deadline. Throughout the NMCA annual meeting attending exhibitors are recognized via signage, session moderators and at the vendor continental breakfast. The exhibitor breakfast provides each vendor an allotted five minutes to introduce themselves and their represented company to the member audience and an opportunity to invite the members to visit them at their booth.

In addition, if you or your company have a new innovation or results of research you would like to present as a formal paper at the upcoming meeting I welcome you to submit a Call for Papers which is located at www.nmca.org under the tab "Annual Meeting Information".

If you have any questions regarding the NMCA organization and the upcoming December 2011 conference please feel free to contact either Sherrie Juris (603-380-1811) or Josh Nickerson (508-816-6742).

On behalf of the NMCA organization we thank you for all your support and hope to see you in Plymouth.

Respectfully,

Sherrie Juris and Josh Nickerson
