

THE NORTHEASTERN MOSQUITO CONTROL ASSOCIATION, INC.

the DAVID W. SCOTT MEMORIAL AWARD

to

Bart Morris

This Award recognizes operational personnel who by their dedication, resourcefulness and ingenuity contribute significantly to the advancement of mosquito abatement practices. You have been honored for your outstanding work with the greenhead fly trapping program and continued research on building and improving fly and mosquito traps. Thank you for your service and dedication to the Cape Cod Mosquito Control Project, and congratulations from the NMCA membership.
